

CHESA September 2021 News

CHESA Fellowship Applications Open

The CHESA Fellowship is for individuals who have completed or are enrolled in a health professional training program and are committed to developing a career focused on advancing health equity in perioperative care. CHESA Fellowships are 1-2 years and uniquely tailored to each Fellow to support their career goals. Some Fellowships may be undertaken on campus in San Francisco or remotely. Once selected, each CHESA Fellow embarks on a tailored timeline of investments and support over their 1-2 year fellowship.
